Vision Statement

Indiana Furniture will be a relevant solution for the contract furniture dealer market. We will provide the tools necessary for our employees and sales team to consistently deliver the services and message to attract dealer partners and our mutual clients to experience the Indiana Furniture difference time after time.

Mission Statement

Our mission is to create Value for our customers through Reliability, Flexibility, Integrity, and Speed. We want every Indiana Furniture experience to be warm, worry-free, and comfortable through Respect and Trust.

Our Employees and our Communities are vital to our success. We will support both with investments and resources necessary for them to prosper.

about global

Global Furniture Group originated in 1966, when the company was founded with the vision of manufacturing well-made office furniture at affordable prices. That promise continues today through a network of vertically integrated suppliers, manufacturers and distributors who bring our products to market around the world.

Global offers a comprehensive portfolio of solutions that are designed and engineered to meet the changing needs of the Workplace, Education and Healthcare markets. Our success over the past half-century owes much to our diverse team, who take pride in creating quality products and providing the highest level of service to our clients.

Above all, Global is a trusted partner. We are committed to our customers' needs by working together to develop lasting and valued solutions.

ZIRA BOAT CONFERENCE TABLE

BUILD IT SUMMARY

Series Name: Zira™ Tables
Model Name: Boat Shaped Boardroom Table, 240"W x 48"D (Z48240BE)
Model Code: Z48240BE,WHC,CF,BRC,~,~,~,~,WHC

Global Accord™ Leather High Back Tilter

As the workplace continues to change, meetings and conferences can still be long days with demanding agendas. Luray provides ample proportions and full back support in an upholstered seating series to keep participants at their best. The polished aluminum arm can be specified with a urethane or wood top cap. Contrasting stitching is also available to complement a wide selection of Global textiles and quality leather coverings.

- Three back heights are available, featuring horizontal sewing details.
- Stitch detail on edges of seat and back is discrete, using matched thread as standard.
- Choice of two mechanisms; tilter and knee-tilter.
- Standard with Global's high quality Soft Descent™ pneumatic lift which slowly and gently lowers the seat height of the chair making it easy to obtain the exact seat height you desire.

Dimensions: W25 x D26.5 x H46 IN

Luray™ Leather Extended High Back

This award-winning series features classic styling with a finely detailed polished aluminum arm.

- The sling style back is upholstered with rolled and pleated details, and is available in an array of fabrics, vinyls or fine Italian leathers.
- Clean simple lines make Global Accord the perfect choice for meeting rooms, boardrooms and private offices.
- Global Accord Mesh is available in a wide selection of designer colors.
- The breathable mesh back promotes airflow and comfort while gently supporting the natural curve of the spine to reduce fatigue.
- Durable urethane armcaps are soft and warm to the touch.
- Tilt-tension adjustment and multiple position tilt-lock control.
- Designed by Zoey Chu.

Dimensions: W25 x D25 x H44 IN.

Citi™

The broad appeal of the Citi series rests with its contemporary style and scale, unlimited flexibility and great value. Choose from individual models, modular components and tables, and then further customize in fabric, vinyl or leather.

- Just 31" deep and 30" wide for the club chair, 50.5" wide for the two seater sofa and 72" wide for the three seater sofa - so it works particularly well where space is at a premium.
- The raised leg enhances the lightness of scale and provides easy access for cleaners.
- Citi is finished beautifully in fabric, leather or leather/mock leather combinations.
- Cushions are sewn with double needle-stitched seams and sit high and firm, making it extremely appropriate as reception area or office seating.

Aspen™

Aspen's unique form-fitting back profile is the result of years of extensive design and testing to determine the optimum support for the widest possible range of users and body types.

- The back can also be easily and quickly adjusted in height to provide full contact with the lumbar.
- Aspen is a chair that not only "fits" at the beginning of your work day, but also at the end of the work day when you need it most.

Dimensions: W25 x D24 x H45 IN.
